

The screenshot displays the Jira Software interface for a project named 'Smart Solutions For Railways'. The main view is a Kanban board for 'SSFR Sprint 4', which is used for filling queries and answering questions. The board is organized into four columns: 'TO DO 2 ISSUES', 'IN PROGRESS 1 ISSUE', 'IN REVIEW 1 ISSUE', and 'DONE'. Each column contains one or more issue cards. The 'TO DO' column has two cards: 'SSFR-24' (labeled 'RASIE QUARIES') and 'SSFR-27' (labeled 'FEED DETAILS'). The 'IN PROGRESS' column has one card: 'SSFR-25' (labeled 'RASIE QUARIES'). The 'IN REVIEW' column has one card: 'SSFR-26' (labeled 'ANSWER THE QUIRES'). The 'DONE' column is currently empty. Each card includes a description, a label, and an assignee. The left sidebar provides navigation options for the project, including Roadmap, Backlog, Board, Reports, Code, Project pages, Add shortcut, and Project settings. The top navigation bar shows the Jira Software logo, project name, and various filters and dashboards. The bottom status bar indicates the system temperature, weather, and time.
